

Stone Sour, Simple Woman

Simple woman won't you take me home tonight
Simple woman won't you take me home tonight

You don't love me any-
You don't love me any-
No, no, no

Simple woman won't you take me home tonight
Won't you take me home tonight

Simple woman - suck the poison from my veins
Simple woman - suck the poison from my veins

You won't leave any-
You don't need me any-
No, no, no

Simple woman - suck the poison from my veins
Now, suck the poison from my veins
No, no, no

You don't understand me
You might wanna take your side
Just go away and
Would you leave me by myself

She asked me
Why so shy
If you only knew what I was thinking
You would understand
It's been so long since I have felt the ways
I felt your smile upon me
In my soul
Can't you realise
I am just a man
I can't live without you
When you see me - what do you see
Can't you see I don't want you to pity me
Only with your love
Cos that would kill me
Here comes the sun

Here comes the sun

Never gonna forgive you, girl
For taking me this with you, no
Where you goin'
And why you gotta' leave me
Not alone
Never forgive you for this, girl
Oh, no
