

Stone Sour, Socio

I remember now, but I still have my doubts
I think it's gonna be today
Everybody came, but it's just not the same
Why did it have to be today?
Now my chest is tight - no, I am not all right
It doesn't have to be this way
Why does it have to be this way?

I DONT KNOW WHAT'S WRONG,
IT'S LIKE I'M TO FAR GONE
IT DOESN'T MATTER, ANYWAY
FEAR IS IN MY HEART - JUST WHEN I STOP IT STARTS
AND I CAN NEVER LIVE THIS WAY

Freedom in a cage - no sun and too much rage
I don't know how much i can take
Push it down inside, but it knows just where to hide
I know that "normal" is hard to fake
Bleeding into life - it's like a thousand knives
Are slowly turning me into this
Why does it have to be like this?

I DONT KNOW WHAT'S WRONG,
IT'S LIKE I'M TO FAR GONE
IT DOESN'T MATTER, ANYWAY
FEAR IS IN MY HEART - JUST WHEN I STOP IT STARTS
AND I CAN NEVER LIVE THIS WAY [x2]

I lost again, today...

I DONT KNOW WHAT'S WRONG,
IT'S LIKE I'M TO FAR GONE
IT DOESN'T MATTER, ANYWAY
FEAR IS IN MY HEART - JUST WHEN I STOP IT STARTS
AND I CAN NEVER LIVE THIS WAY
LIVING WITH A CURSE, SOMETIMES IT'S EVEN WORSE
IT SLOWLY KILLS ME EVERYDAY
SOMETHING I DESPISE IS GONNA TAKE MY LIFE
I GUESS I'LL TRY AGAIN TODAY
