

# Stone Sour, Through Glass

I'm looking at you through the glass  
Don't know how much time has passed  
Oh, God, it feels like forever  
But no one ever tells you that  
Forever feels like home  
Sitting all alone inside your head

""How do you feel?"" That is the question  
But I forget you don't expect an easy answer  
When something like a soul  
Becomes initialized and folded up  
Like paper dolls and little notes  
You can't expect a bit of hope

So while you're outside looking in  
Describing what you see  
Remember what you're staring at is me

'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever  
But no one ever tells you that  
Forever feels like home  
Sitting all alone inside your head

How much is real? So much to question  
An epidemic of the mannequins  
Contaminating everything  
We thought came from the heart  
But never did right from the start  
Just listen to the noises  
"(Null and void instead of voices)"

Before you tell yourself  
It's just a different scene  
Remember it's just different from what you've seen

I'm looking at you through the glass  
Don't know how much time has passed  
And all I know is that it feels like forever  
But no one ever tells you that  
Forever feels like home  
Sitting all alone inside your head

'Cause I'm looking at you through the glass  
Don't know how much time has passed  
And all I know is that it feels like forever  
But no one ever tells you that  
Forever feels like home  
Sitting all alone inside your head

And it's the stars, the stars that shine for you  
And it's the stars, the stars that lie to you, yeah

I'm looking at you through the glass  
Don't know how much time has passed  
Oh, God, it feels like forever  
But no one ever tells you that  
Forever feels like home  
Sitting all alone inside your head

'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever

But no one ever tells you that  
Forever feels like home  
Sitting all alone inside your head

And it's the stars, the stars that shine for you  
And it's the stars, the stars that lie to you, yeah  
And it's the stars, the stars that shine for you, yeah  
And it's the stars, the stars that lie to you, yeah  
Oh, and the stars, oh, and the stars, they lie
