

Stone Sour, Through Glass

I'm looking at you through the glass
Don't know how much time has passed
Oh, God, it feels like forever
But no one ever tells you that
Forever feels like home
Sitting all alone inside your head

""How do you feel?"" That is the question
But I forget you don't expect an easy answer
When something like a soul
Becomes initialized and folded up
Like paper dolls and little notes
You can't expect a bit of hope

So while you're outside looking in
Describing what you see
Remember what you're staring at is me

'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
But no one ever tells you that
Forever feels like home
Sitting all alone inside your head

How much is real? So much to question
An epidemic of the mannequins
Contaminating everything
We thought came from the heart
But never did right from the start
Just listen to the noises
"(Null and void instead of voices)"

Before you tell yourself
It's just a different scene
Remember it's just different from what you've seen

I'm looking at you through the glass
Don't know how much time has passed
And all I know is that it feels like forever
But no one ever tells you that
Forever feels like home
Sitting all alone inside your head

'Cause I'm looking at you through the glass
Don't know how much time has passed
And all I know is that it feels like forever
But no one ever tells you that
Forever feels like home
Sitting all alone inside your head

And it's the stars, the stars that shine for you
And it's the stars, the stars that lie to you, yeah

I'm looking at you through the glass
Don't know how much time has passed
Oh, God, it feels like forever
But no one ever tells you that
Forever feels like home
Sitting all alone inside your head

'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever

But no one ever tells you that
Forever feels like home
Sitting all alone inside your head

And it's the stars, the stars that shine for you
And it's the stars, the stars that lie to you, yeah
And it's the stars, the stars that shine for you, yeah
And it's the stars, the stars that lie to you, yeah
Oh, and the stars, oh, and the stars, they lie
