

Stone Sour, Through The Glass

I'm looking at you through the glass
Don't know how much time has passed
Oh God it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head

(Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
No one ever tells you that forever feels like home
Sitting all alone inside your head)

How do you feel? That is the question
But I forget you don't expect an easy answer
When something like a soul becomes initialized
And folded up like paper dolls and little notes
You can't expect a bit of hope
So while you're outside looking in
Describing what you see
Remember what you're staring at is me

'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
but No one ever tells you that forever feels like home
Sitting all alone inside your head

How much is real?
So much to question
An epidemic of the mannequins
contaminating everything
We thought came from the heart
But never did right from the start
Just listen to the noises
(Null and void instead of voices)
Before you tell yourself
It's just a different scene
Remember it's just different from what you've seen

I'm looking at you through the glass
Don't know how much time has passed
And all I know is that it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head

'Cause I'm looking at you through the glass
Don't know how much time has passed
And all I know is that it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head

And it's the stars
The stars that shine for you
And it's the stars
The stars that lie to you, yeah ah
And it's the stars
The stars that shine for you
And it's the stars
The stars that lie to you, yeah ah

I'm looking at you through the glass
Don't know how much time has passed
Oh God it feels like forever
But no one ever tells you that forever feels like home

Sitting all alone inside your head

'Cause I'm looking at you through the glass
Don't know how much time has passed
All I know is that it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head

And it's the stars
The stars that shine for you, yeah ah
And it's the stars
The stars that lie to you, yeah ah
And it's the stars
The stars that shine for you, yeah ah
And it's the stars
The stars that lie to you, yeah yeah

Oh when the stars
Oh when the stars they lie.
