

Stone Sour, Tumult

GODDAMN YOU!!

Haven't let you in 'cause I'm in you

Haven't let you in 'cause I'm in you

Must have been a bitch, must have been a pain

Take me off the "innocent";

Put me in your vein!

IT'S IMPROBABLE

IT'S IMPROBABLE

Haven't said a word 'cause you're still on

Haven't said a word 'cause you're still on

Mustn't take offense, mustn't take a bow

Used to be a derelict

Now I have to live with it!

IT'S IMPROBABLE

IT'S IMPROBABLE

IT'S IMPROBABLE

YOU CAME BACK, BUT I KNOW BETTER, BOY

Trip my light fantastic

Rub me in your wound

I'm not broken, I'm not plastic

I'm no whore...

Used against me - use me up again

IT'S IMPROBABLE

IT'S IMPROBABLE

IT'S IMPROBABLE

YOU CAME BACK BUT I KNOW BETTER, BOY

(sometimes I think I'm crazy; other times I know I'm not)

Got no time to time to time (once again)

You don't want me, you don't need me!
