Stone Temple Pilots, Silvergun Superman

find you in the dark read you like a cheap surprise without shame sell me out, and frame your name

I can hear when the pig whispers sweetly jealousy is the weapon you kill me keep a dime for a truth you might tell you toed the line, and I know it was mine couldn't hide, write a wave, ride a lie let me know, can I friend ask you why?

rolling back the days with my friend I love to play the "little one" superman with silver gun

I can hear when the pig whispers sweetly jealousy is the weapon you kill me keep a dime for a truth you might tell

wait for me, take a dive take a piece of my life (leave me numb) wait for me, tell a lie, try to take my life (leave me numb) wait for me, take a dive take a piece of my life (leave me numb) close to me, and I'll leave you numb
