

Story Of The Year, Wake Up The Voiceless

I've swallowed every hook
Fallen for their disguise
Lived by the book
Felt the blade of the knife
As it pressed against my neck
We're taught to imitate
Segregate and divide
Do what we're told
Rise and fall with the tide
If we refuse to play the part
They will hear us screaming...

WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!
WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!

They advertise your life
Through a blanket of lies
Expand the truth
So their profits will rise
Ignore the sacrifice
Liars casting stones
At the gods they create
We're amplified to provide what they take
If we refuse to play the role
They will hear us screaming...

WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!
WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!

GO!!

They're the reason for defiance
We can't ignore
We're the promise of a new day
This is a war
The blood will spill
The voices will be heard
And tonight, we are alive

I've swallowed every hook
Fallen for their disguise
Lived by the book
Felt the blade of the knife
But I refuse to play the role
They will hear me screaming...

WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!
WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!
WAKE UP THE VOICELESS!
WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!
WAKE UP THE VOICELESS!

WAKE UP THE REVOLUTION!
Whoa, we are alive tonight!
Whoa, we are alive tonight!
We are alive tonight!
We are alive tonight!
We are alive tonight!
We are alive tonight!
