

Strangelove, Quiet Day

Quiet day
Reminds me of ice
Quiet sound
Lies stark against my life
For in my head there is a rattling noise
A carnival of so much meaningless noise
Tins a-clattering
Full of this and that
Urging me forward
Pushing me back&P. away
Turn yourself away again
Screaming into sleep the pain of -
Quiet day
I see a grey girl from my window passing by
I put my drink down and cry
Things are shattering
Everywhere around
Is telling me something
Breaking me down
You can't do anything
You can't do anything
You can't do anything
No you can't
No you can't
No you can't
Quiet day
Reminds me of night
Quiet sound
Push still against my life
For in my head there is a movement of noise
The electricity of meaningless noise
Wires a-rattling
Sending this and that
Urging me forward
Pushing me back
