

Stratovarius, Dreamspace

Looking back through time
through my childhood days.
I used to have a place
where I could escape reality.
But lately things have been
so difficult for me.
Trying to reach for the light,
in the fall of darkness.

Waiting watching my life,
I'm wasting my time,
I'm losing grip from life.
Going back to my dreamspace
leavin it all behind.

Soon the things will be alright,
when I get there.

Am I safe in here,
nothing left to fear.
I will close my eyes
and float away with stream.
Wandering here in this
eternal darkness.
No signs of light anywhere.
I am going insane.
Now I am leaving this life,
no hope left I want to die!
