

Stratovarius, Out Of The Shadows

Out to the light from the mist
from the shadows I go.
Facing the new world the odd things
the places unknown.
Far away, I sail away today.

Seeing the new face impression the moment
the thought.
Unarmed and naked defendless
my mind is caught.
Far away, I sail away to stay.

Out of the Shadows we go,
There's no reason to hide anymore.
Out of the Shadows we go,
Into the new horizon
Towards the new shore we go.
