Future is calling, history is leaving behind.  
Nobody is thinking about the past days.

If you have an open mind it is your turn.

Consider that this world could be free from all this hatred.  
There would be no borders no laws anykind.  
Still mankind is falling, planning it's ruin everyday.  
But hey we can still stop this madness together.

If you have an open mind it is your turn.
