

# Stratovarius, Years Go By

Look around do you see,  
so many things have changed.  
And you should know by now,  
I never meant to hurt you at all.

All my life I have been an outcast  
but now I've been reborn.  
And I see things so clear.

Open your eyes and realize,  
Hard times are over if you want.  
Open your mind,  
reach for the stars.  
Answer is there for us to find.

Years go by,  
never know when it's too late.  
Years go by,  
yourself you seal your fate.  
Don't look the answer from horizon.  
It's closer than you think.  
Years go by, oh how they go by.
