

# Stray Cats, Cruisin'

Cruisin', lookin' for my gal  
I'm cruisin', goin' don't know where  
I'm cruisin', lookin' for my gal  
I'm cruisin' for a bruise  
That man with her is gonna get  
Cruisin', got to find my gal  
I'm cruisin', goin' here and there  
I'm cruisin', got to find my gal  
I'm cruisin' for a fight  
That man with her will have tonight. (Cruise!)

Cruisin', ought to find my cat  
Cruisin', so we can be a pair  
Cruisin', wonderin' where she's at  
I'm cruisin' for my date  
I hope I find before it's way too late. (Rock!)

Cruisin', got to find my gal  
I'm cruisin', goin' here and there  
I'm cruisin', got to find my gal  
I'm cruisin' for to fight that man  
With her will have tonight. (Cruise!)

Cruisin', lookin' for my gal  
I'm cruisin', going don't know where  
I'm cruisin', lookin' for my gal  
I'm cruisin' for to bruise him bad  
That man with her is gonna get  
Cruisin', cruisin', cruising, cruisin'...
