

# Stray Cats, Fishnet Stockings

Well my sweet baby wears fishnet stockings  
When she starts a rockin' there ain't no stoppin'

Singing wop bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings

Well she's got a pair in pink  
She's got a pair in red  
When she puts the black ones she makes me loose my head

Singing wop bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings

One time

Well she's got a pair in pink  
She's got a pair in red  
When she puts the black ones she makes me loose my head

Singing wop bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings

Rock it again now

Well my sweet baby wears fishnet stockings  
When she starts a rockin' there ain't no stoppin'

Singing wab bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings
