

Stray Cats, Gina

Well they say Gina don't you run with him
Because you know the trouble I've been in
Oh that was yesterday, don't listen when they say
Gina don't you run with him
Well they say Gina I'm a bad mistake
But that's the chance you know I have to take
Well I'm beggin' on my knees, baby darling please
Oh Gina don't you run with him
Well Gina you're a young girl
But I think you're old enough to decide
They think we're fooling, but I can see the love in your eyes
Oh Gina don't you run with him
Well Gina you're a young girl
But I think you're old enough to decide
They think we're fooling, but I can see the love in your eyes
No, no Don't listen when they say it baby
Gina
