

Stray Cats, I Wanna Cry

I'm hearing big things
Inside of my head
Dreaming crazy demons
Better stay dead
Thinking downtown
But down on my bones
Walking crazy corners
No-one ever phones

I wanna cry
Please tell me now
I wanna cry
Please tell me how
I wanna cry
Please tell me now

Dreaming of stairs
Got to find soul
Talking made you come back
Thought I never
Feel a big things
Inside of myself
Riding wild horses
Got to find some help

I wanna cry
Please tell me now
I wanna cry
Please tell me how
I wanna cry
Please tell me now

I wanna cry
Please tell me now
I wanna cry
Please tell me how
I wanna cry
Please tell me now

I'm hearing big things
Inside of my head
Dreaming crazy demons
Better stay dead
Thinking downtown
But down on my bones
Walking crazy corners
No-one ever phones

I wanna cry
Please tell me now
I wanna cry
Please tell me how
I wanna cry
Please tell me now
