

# Stray Cats, Summertime Blues

well Im a gonna raise a fuss  
Im a gonna raise a holler  
about working all summer just to try to earn a dollar  
well the time to go on baby trying to get a date  
boss says no date son you gotta work late  
sometimes I wonder what Im a gonna do  
but there aint no cure for the summertime blues  
well my mom and popa told me  
son you gotta make some money  
if you want to use the car then go right on next sunday  
well I didnt go to work told the boss I was sick  
now you cant use the car cause you didnt work a lick  
sometimes I wonder what Im a gonna do  
but there aint no cure for the summertime blues

gonna take two weeks gonna have a fine vacation  
gonna take my problem to the united nations  
well I called my congress man and he said quote  
I would like to help you son but your to young to vote  
sometimes I wonder what Im a gonna do  
but there aint no cure for the summertime blues
