## Streetlight Manifesto, Kristina She Don't Know I E

Not long ago in my high school days, I watched a girl from so far away, But every time she passed me by, I turned my head away and quietly sighed. And when she walked by her hair would dance, A secret tango that only I could understand, And when shed ask me for the time of day, Id look her in the eyes and quietly say.

Oh Kristina, Kristina, do you have any clue who I am? (HELL NO!) So listen up cause III tell ya once and III explain myself the best that I can, whoa, Kristina, Kristina you dont know me so iII have to persist, (whistle) Im kinda shy so no wonder why, Kristina she dont know I exist.

From class to class, I followed her,
But I swore id leave her undisturbed,
And if shed ever stopped and turned around,
Id get so nervous that Id stare at the ground.
And then one day in photography,
I found a contact print that I could not believe,
and there she was staring back at me.
So I took her home so quietly.

Oh Kristina, Kristina, do you have any clue who I am? (HELL NO!) So listen up cause Ill tell ya once and Ill explain myself the best that I can, Kristina, Kristina you dont know me so I'll have to persist, [whistle] Im kinda shy so no wonder why, Kristina she dont know I exist.

1.17.98 has been a day that Ive come to hate, As I walked into the video store, There she stood as my jaw fell to the floor. Tapping her toe, and waiting in line, With a movie and another guy, Why did I bother, Why did I care, About this girl named Kristina Behr?

Kristina, Kristina, youll never get to know who I am (YOUR LOSS!) This is goodbye so please dont cry and ill let you down as softly as I can, Kristina, Kristina, another name to cross off my list.

Another life, it couldve been nice, but Kristina she wont know what she missed.
