

Stretch Arm Strong, Raise Your Fist

Our numbers are growing stronger.
Can't ignore us any longer.
Old school to new tell your crew.
We've got a long way to go before we're through.
But together, we'll make them hear our voice.
Raise your fist, make a stand.
We'll make them understand.

The kids are growing stronger.
Our voices are getting louder.

The only difference is their weakness.
We'll make the difference.
Raise your fist right now.

Can you be strong?
Can you hold on?

The kids are growing stronger.
Voices getting louder.
Comitting to making a change.
We'll fight the power in charge.

This time we'll make them say
