

Stretch Arm Strong, When Sorrows Fall

it's okay for me to say i love you
and it's okay for you to cry
the sorrow that you are feeling you should not deny
so why is it so trying to express the way i feel?
just one moment you steal
just one moment
just one
just one moment
just one
just one moment you steal(2x)
i still care and i still feel
time and again
it's all too real
separate and detached
myself i was running from all the pain i felt I was
questioning the way I am and the things with which i've dealt
somewhere in the foothills of my mind
i know my ways just aren't right
they're not right
so i'll shrug it off and wear a grin
i'll carry on and just pretend
i still care
i still feel
time and again
it's all too real
