

Stretch Armstrong, Outside Looking In

let's go..
we've come a long way
through the good and bad
and it's so much more than what it seems
sometimes i take it for granted
i take it for granted
which way will the wind blow?
i don't know if you will ever know how much this means to me
let me take this opportunity to say thank you for what you've given to me
there's no telling how long things will ever last
let's not forget the memories
the memories of our past
