

Stryper, Free

Free to turn away - say goodbye
Free to walk away - and deny
The gift waiting for you
Whispers a still small voice
It's your choice - you're..

Free - Free to do what you want to
Choose your own destiny
Free to do what you want to
Free to open up - and believe
Free to simply ask - and receive
There's no better time than now
You've got the right to choose
You can't lose - you're...
