

Stryper, Makes Me Wanna Sing

We're gonna rock and have a good time
Tonight's the night, the night we move
Together we will stand to rock the land
We're gonna rock for something new
We're gonna rock for something true
Tonight's the night so let's lift up our hands

Jesus, King, King of Kings
Jesus, makes me wanna sing

He makes me want to jump around
He keeps my feet above the ground
Tonight the night it's best to rock the land
We're gonna rock for something new
We're gonna rock for something true
Tonight's the night so let's lift up our hands
