

# Styx, Girls With Guns

I'll tell you now  
And I won't tell you twice  
Where when and how  
I got some bad advice

I never thought I could handle  
A girl with guns  
And let me tell you  
You can bet that I'm not the only one (oh no)

Stand tall, don't think small  
Don't get your back against the wall  
Shoot straight, I can't wait  
Aim for the heart and fire away (No!)

I've come around  
I understand today  
And she's the target now  
I'm gonna have my way

Everybody says  
Don't go messing with a girl with guns  
They don't need you  
They couldn't love you  
They couldn't be any fun (Noooo)

Stand tall, don't think small  
Don't get your back against the wall  
Shoot straight, don't wait  
To Fire away

An innocent bystander  
Who forgets to look both ways  
Who never tries to understand her  
Won't feel the heat 'til it's too late (So I tell you)

Stand tall, don't think small  
Don't get your back against the wall  
Shoot straight, don't wait  
To fire away (So I tell you)

Stand tall, don't think small  
Don't get your back against the wall  
Shoot straight, I can't wait  
Aim for the heart and fire away

Stand tall, don't think small  
Don't get your back against the wall  
Shoot straight, I can't wait  
Aim for the heart and fire away
