

Styx, It Don't Make Sense (You Can't Make Peace)

You take one man's heart and make another man live
You even go to the moon and come back thrilled
You may a deaf man hear and a dumb man speak
So it don't make sense that you can't make peace.
No it don't make sense that you can't make peace.

You can make a transfusion that will save a life
You can change the darkness in the broad daylight
Make submarines, they submerge for weeks
So it don't make sense that you can't make peace
You know it don't make sense - you can't make peace [3x]
