

Subb, Bright Red Dress

I'd let you wear my best T-shirt
Cause you're my favorite grocery clerk
I'd do it all, hold nothing back
I'd give you all, you're heart should lack. (your heart should lack)

And if you cry, just think of me
I'll hold your hand, i might play... (I might play...)
Don't close your eyes, don't doubt what's true
So you know this song's for you (That this song's for you)

A simple breath is all i need
Another kiss to help me see (I need another kiss to help me see)
You're all i want, you're all i need
A simple touch is all i feel (A simple touch is all I feel)

Let's sneak out back, don't make a sound
Just stay with me, i'll hang around
I wanna scream "I LOVE YOU"
So you know by now now now, this song's for you

This song is for you
And you might understand
This song is for you
I will never be the same
I will let you call me names
I won't let you feel no shame
I want you to be by my side
Yeah, yeah ,yeah

This is a love song, i know it's lame
But this is me calling your name
I hope you hear me, when you're in pain
So you know by now, i feel the same
