

Subb, Leave It Up To Me

You don't want no part of me
You know it ,I can see that
But it is not your fault
It is not your fault
The situation isn't right
I know that you're way too up tight
I am so confused
I am so confused

(Chorus)

So leave it up to me to go way
So leave it up to me to say it's too late
So leave it up to me I'll show you what to do
Leave it up to me.....TO WALK AWAY!!!

I'm up and I'm down

So confuse cuz I'm searching why

Well it was not your fault

It was not your fault.....

Today's the day we break away

We've made it on our separate way

I am so confused.....
