

# Subb, Red And Blue

Last Monday when The rain was falling  
I saw you near The bus stop  
Since then, I'm always thinking about  
That first smile that you gave me  
I could call you red for The color of your hair  
Or maybe I'll call you blue for The beauty of your eyes  
No I don't know, I don't know  
If we'll be together someday  
You're in my mind  
And my damn life will never be The same  
You're in my mind  
Cause The way you look at me drives me insane  
I know The story is crazy  
The love is impossible  
Maybe we should stop right now  
Cause anyway it's gone too far  
No I don't know, I don't know  
If we'll be together someday  
But I know, yeah I know  
I'll never forget you red & blue  
(Chorus)  
So insaaaaaaaaaaaaaaaaane!  
(Chorus x2)
