

# Subb, Splitting Hair

Stay...a bit longer  
It'll make things easier  
Stay... a bit longer  
Come on now pretty girl

I'm going out of my way, so things will turn out right  
Here i am splitting hair to know that you're ok  
Never thought i'd be sweating blood to make sure that you feel fine  
Oh please can't you...

Stay...a bit longer  
No matter what your parents say  
Stay...a bit longer  
Oh no it's already late!
