

# Sublime, Don't Push

Stolen from an African land

Chased out with a knife

With a face like Bob Marley and a mouth like a motor bike

Oh well the bars are always open and the time is always right

And if God's good word goes unspoken well the music goes all night

And it goes...

If i was Bob Marley I said could you be loved

If I was half pint I'd ball the lord up above

If I was Mike Tyson I'd look for a fight

If I was a BoomtownRats I would be stayin up all night

IF I was the king Ad-Rock i would get stupid dumb

If rhymes were valiums I'd be comfortably numb

If I had a shotgun, know what I'd do,

I'd point that shit straight up at the sky

and shoot heaven on down to you

Oh well the bars are always open, and the time is always right

And if God's good word goes unspoken, well the music goes all night

I want a lover, I can't find the time

I want a reason, I can't find the rhyme

I want to start some static, but I can't afford,

to hit the ground like I fell off my skateboard

Now a days as clear as you please, strap with protection or strap with disease.

Laughter, it's free any time just call me

439-0116 when your down with Sublime you get

funky fresh lyrics, you get nothing

Stolen from an African land

Got chased out of the bar

I saw (Ice is) my best friend tonite so don't push me too far

I gonna run come down with the new lyrics,

get hit get hip don't slip you knuckle heads

Racism is schism on a serious tip

You don't believe me I go and bust your lip.

I hear the mountain, it hard to climb

Rougher the rhythm, then it must be sublime

Listen yellow lover you got it right on time

We got cricket with the quickness and the bassline

Go and raid the sound and tell people the news oh, hey

tell them reggae music is on the loose

Here i am from the place where the sun shine down in a unique fashion

Good good vibes that keep on playing, playing

People gonna come and try tell me smoking crack cocaine better than sensi

You're pumpin' that shit and I'm sick of it

Tweakin' every weekend we just can't take it

Oh! We don't want glass dick (Bump)
