

Sublime, Rawhide

One...

Rollin' Rollin' Rollin'

Keep those doggies rollin'

Rollin' Rollin' Rollin' Rawhide!

Hell-bent for leather

Windy rain or weather

Wishin' my girl was by my side.

Oh, vittles, love, and kissin'

Is what I'll be missin',

'Til I reach the end of the ride

So head 'em up, head 'em out,

Head 'em up, move 'em out,

Head 'em up, head 'em out Rawhide

Ride 'em in, let 'em out,

Ride 'em in, cut 'em out,

Ride 'em in Rawhide!

C'mon, step here

Movin', movin', movin'

Keep those doggies movin'

Movin', movin'....

Hmmmmmm

Don't try to understand 'em

Just rope, spur, and brand 'em

Soon they'll be riding by your side
