

# Submersed, Hollow

To you  
I'm all I've left undone  
I'm all I haven't won  
Lift me up my soul's so hollow  
Lift me up

You take  
The breath you didn't make  
What's left you did forsake  
Lift me up my soul's so hollow  
Lift me up my soul's so hollow

You can make me scream internally  
You can make me breathe eternally  
Yeah

You see  
The things I cannot change  
The things that make me plain  
Lift me up my soul's so hollow  
Lift me up

We've made  
All from the sum of none  
All that we have become  
Lift me up my soul's so hollow  
Lift me up my soul's so hollow

You can make me scream internally  
You can make me breathe eternally

You can make me scream internally  
You can make me breathe eternally  
Yeah

Fill, fill what's in me  
Fill, fill what's in you  
Fill, fill what's in me  
So my soul's not left so hollow

You can make me SCREAM  
You can make me BREATHE

You can make me scream internally  
You can make me breathe eternally

You can make me scream  
You can make me breathe  
You can make me scream  
You can make me breathe, me breathe
