Submersed, Hollow

To you I'm all I've left undone I'm all I haven't won Lift me up my soul's so hollow Lift me up

You take
The breath you didn't make
What's left you did forsake
Lift me up my soul's so hollow
Lift me up my soul's so hollow

You can make me scream internally You can make me breathe eternally Yeah

You see The things I cannot change The things that make me plain Lift me up my soul's so hollow Lift me up

We've made All from the sum of none All that we have become Lift me up my soul's so hollow Lift me up my soul's so hollow

You can make me scream internally You can make me breathe eternally

You can make me scream internally You can make me breathe eternally Yeah

Fill, fill what's in me Fill, fill what's in you Fill, fill what's in me So my soul's not left so hollow

You can make me SCREAM You can make me BREATHE

You can make me scream internally You can make me breathe eternally

You can make me scream You can make me breathe You can make me scream You can make me breathe, me breathe
