Subsonica, Motel Connection - Two

Dream an answer all day Its gonna keep me from pain Wild heat all around I dont look the same

Beat on wood, fly, Ride and dream again An invitation for I dont know the day

Feel the sun, that shine So feel that sun liquefying Hear your sough in time So hear the sound that survives

Dream an answer all day Its gonna keep me from pain Wild heat all around I dont look the same

Beat on wood, fly, Ride and dream again An invitation for I dont know the day

Feel the sound, that shine So feel that sound liquefying Hear your sough in time So hear the sound that survives
