

Suck For Sympathy, 45 Degrees

sun shows no mercy
people act strange
man on TV
tells me weather won't change

feels like I'm melting
under my clothes
maybe I'm gonna get
a summer overdose

oooooo....
45 degrees....
45 degrees....
45 degrees....
45 degrees....

not able to move
head seems to explode
even the cigarettes
scratch in my throat

I wish I was
the mighty quinn
inside my icehouse
wearin' polar bear skin

oooooo....
45 degrees....
45 degrees....
45 degrees....
45 degrees....

down by the seaside
I tried my luck
shitted by seagulls
and my car got stuck

totally pissed
I can't get no sleep
tomorrow's a new day
with 45
ja with 45
45 degrees.....(repeated)
