

Suede, Hit me

You touch the place where we meet
Where you and I become she and he
I'm not as strong as I pretend to be
You feel the scratches and scars
You feel the possibly we call ours
But drop me once and I'll fall to bits

Come on and hit me
With your majesty
Come on and hit me
With all your mystery

I remember when we touched, we are young
You feel my pulse and we become one
But drop me once and I will fall to bits

Come on and hit me
With your majesty
Come on and hit me
With all your mystery
