

# Sufjan Stevens, Fireproof

Am I fireproof or am I on fire?  
The two appear to be the same  
Mount St. Helens made a fuss for a while  
And she covered us in shame

As we make up  
The dams will break up  
Tommy Knockers come a-knocking  
The Wonder Dog who  
Needs no rescue  
Little Bobbie went a-walking  
And he wagged his tail

Am I waterproof or am I in deep waters?  
Saw the island on the run  
Am I bulletproof or am I in a crossfire?  
Kipland Kinkel has a gun

I feel lucky  
In my Nike  
Jumper Jordans on the ocean  
The waves may break out  
The freighters shake up  
But the Lord  
He has a notion  
On the Oregon trail

(That's right)  
Am I fireproof or am I on fire?  
(I don't really know)
