

# Sufjan Stevens, There's A World

There's a world you're living in  
No one else has your part  
All God's children in the wind  
Take it in and blow real hard

Look around it  
Have you found it?  
Walking down the avenue  
See what it brings  
Could be good things  
In the air for me and you

We are leaving, we are gone  
Come with us to all alone  
Never worry, never moan  
We will leave you all alone

In the mountains, in the cities  
You can see the righteous dream  
Look around you  
Has it found you?  
Is it what it really seems?

There's a world you're living in  
No one else has your part  
All God's children in the wind  
Take it in and blow real hard
