

Sugababes, 7 Days 2 Weeks 1 Night

its been 7 days 2 weeks 1 night apart
and when you left you broke my heart
if only you had slept alone
and if those sins had not been so

feelings come so easily
im scared and im alone
coz i feel you near me
coz this is how i feel

so long ago
i didnt have a care bout me
i didnt now right from wrong
but now i now
that your love is with me
you now it makes me feel strong
