

Sugababes, About You Now

It was so easy that night
Shoulda been strong, yeah, I lied
Nobody gets me like you

Couldn't keep hold of you then
How could I know what you meant?
There was nothing to compare to

I know everything changes
All the cities and faces
But I know how I feel about you

There's a mountain between us
But there's one thing I'm sure of
That I know how I feel about you

Can we bring yesterday back around?
Cos I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now

All that it takes, one more chance
Don't let our last kiss be our last
Give me tonight and I'll show you

I know everything changes
I don't care where it takes us
Cos I know how I feel about you

Can we bring yesterday back around?
Cos I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now

Not a day passed me by
Not a day passed me by
When I don't think about you
And there's no moving on
Cos I know you're the one
And I can't be without you

Can we bring yesterday back around?
Cos I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now

Can we bring yesterday back around?
Cos I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now
But I know how I feel about you now
But I know how I feel about you now
