## Sugababes, About You Now

It was so easy that night Shoulda been strong, yeah, I lied Nobody gets me like you

Couldn't keep hold of you then How could I know what you meant? There was nothing to compare to

I know everything changes All the cities and faces But I know how I feel about you

There's a mountain between us But there's one thing I'm sure of That I know how I feel about you

Can we bring yesterday back around? Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now

All that it takes, one more chance Don't let our last kiss be our last Give me tonight and I'll show you

I know everything changes I don't care where it takes us Cos I know how I feel about you

Can we bring yesterday back around? Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now

Not a day passed me by Not a day passed me by When I don't think about you And there's no moving on Cos I know you're the one And I can't be without you

Can we bring yesterday back around? Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now

Can we bring yesterday back around?
Cos I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now
But I know how I feel about you now
But I know how I feel about you now
