

# Sugababes, In Recline

La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la

Call me honey  
Suga, babe, or what you want  
I'm not asking no questions  
Who you're coming from  
Yeah, you're safe with me here  
You speak, I become, ultra twisted in the tongue

Don't get too attached to me baby  
Not right now  
Don't wait up when you're bored of throwing her around  
Yeah, you're safe with me here  
You speak, I become, automatically undone

Chorus  
Give us something to think about  
When you get home  
A little something to trip about  
Come on baby it's that time  
Get my body in recline  
Watch that, let it go  
Uh-oh, uh-oh, uh-oh, oh  
Uh-oh, uh-oh

Let's figure out how to get this started  
Once we get hooked up  
Well you can party  
I'm on a mission  
So don't play shy  
Hold my attention  
Not like other guys  
Looking to get what she don't wanna get  
Like it's your birthday  
It's what we'll get

You just hit, you hit this spot  
I'm frustrated  
Getting hot

How do you do it?  
How do you sleep at night?  
If she only knew it  
You're dreaming of me at night  
How do you do it?  
Do it?

You speak, I become, automatically undone

Chorus  
Give us something to think about  
When you get home  
A little something to trip about  
Come on baby it's that time  
Get my body in recline  
Watch that, let it go  
Uh-oh, uh-oh, uh-oh, oh  
Uh-oh, uh-oh

La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la

You just hit, you hit this spot  
I'm frustrated  
Getting hot

Chorus  
Give us something to think about  
When you get home  
A little something to trip about  
Come on baby it's that time  
Get my body in recline  
Watch that, let it go  
Oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh

Chorus  
Give us something to think about  
When you get home  
A little something to trip about  
Come on baby it's that time  
Get my body in recline  
Watch that, let it go  
Uh-oh, uh-oh, uh-oh, oh  
Uh-oh, uh-oh

Work it out, you know it boy  
You got to get me through the day, oh boy  
Work it out, you know it boy  
You got to get me through the day, oh boy  
Work it out, you know it boy  
You got to get me through the day, oh boy  
Work it out, you know it boy  
You got to get me through the day, oh boy
