

Sugababes, Mellow

I'm gonna see my baby
She makes me feel like movin'
I'm gonna see my baby
She makes me feel like movin'
She makes me feel high
She makes me feel low
I'm gonna see my baby
She makes me feel like groovin'
Like this, like this, like

I see you go to see your baby
Does she make you feel like grooving?
You go to see your baby
She make you feel like grooving
She make you feel high
She make you feel low
She make you feel high
She make you feel low
She make you feel like spendin' your money
She make you feel high
She make you feel low
She make you feel high
She make you feel low
