

Sugababes, Mended By You

I tried to make it work
I learned the hardest way
I lost him in the end
And it was over

I turned my back on love
I switched off at the mains
I cried night and day
Cos it was over

You came up
I swear it was just like something from a movie scene
When we met, we connected
I never expected you'd be everything to me

You are
Everything I wanna say
Nothing that I wanna lose
Feel that I will never break
I've been mended by you
You're the reason that I wanna stay
The places I wanna go
Cos I know, I've been mended by you

You never had me close
You never let me go
Just when I lost the fight
You were my soldier

And now we're standing here
In such a different place
August 23rd, do you remember

You came up
I swear it was just like something from a movie scene
When we met, we connected
I never expected you'd be everything to me

You are
Everything I wanna say
Nothing that I wanna lose
Feel that I will never break
I've been mended by you
You're the reason that I wanna stay
The places I wanna go
Cos I know, I've been mended by you

I've been mended by you
I've been mended by you

You are
Everything I wanna say
Nothing that I wanna lose
Feel that I will never break
I've been mended by you
You're the reason that I wanna stay
The places I wanna go
Cos I know, I've been mended by you

I've been mended by you
I've been mended by you
