

Sugababes, Record Companies

Tricky:

Why the fuck do they keep making those guns?

Chew compassion save some sons

Why'd you keep buying their guns

Foolish, life's too short for stray bullets

Why'd you keep buying their guns

Foolish

Corporate companies love when them kill themselves

It boost up the record sales

Why'd you keep making your guns?

Alright

Chew compassion save some sons

Why'd you keep buying their guns?

Foolish

Life's too short for stray bullets

Record companies love when them kill themselves

It boost up the record sales

Now which one of you's gonna be the next niggy

You don't have to worry 'bout them

2pak holding hands with biggy

Alright, alright

I watch where I venture, see

'Cause I don't like this century

I watch where I venture, see

'Cause I don't like this century

Alright

Now which one of you's gonna be the next niggy

You don't have to worry 'bout them

2pak holding hands with biggy

I don't like this century

Back up chicks

All you got is hips

Alright

I see your hollow way

My baby mamma kick it like Billie Holiday

I watch where I venture see 'cause I don't like this century

I watch where I venture see 'cause I don't like this century

Back up chicks all you got is hips

Why the fuck do they keep making their guns?

Alright

Chew compassion save some sons

Why'd you keep buying their guns

Foolish

Life's too short

Record companies love when them kill themselves

It boost up the record sales

Record companies love when them kill themselves

It boost up the record sales

Now which one of you's gonna be the next niggy

You don't have to worry 'bout them

2pak holding hands with biggy

Now which one of you's gonna be the next niggy

Alright

Now how 'bout your wild west mantality

That's alright just keep it away from me and my family

Now which one of you's gonna be the next niggy

Which one of you's gonna be the next niggy

Why the fuck do they keep making their guns ?

Chew compassion save some sons

Why the fuck you keep buying their guns

Foolish

Life's too short for stray bullets

Record companies love when them kill themselves

It boost up the record sales

It boost up the record sales
Alright
It boost up the record sales
Be careful where you venture, see
I don't like this century
I'm careful where I venture, see
I don't like this century
Alright
