

Sugar Ray, Photograph Of You

Where are you goin'?
I never heard you say goodbye
I know it's showin'
You tried you're hardest not to cry

I took a photograph of you
The innocence of just we 2

With his arm around you all your life
I think about you everyday
I wonder what he said
How he got inside your head
As I watch you walk away-way-way
And now your goin'
No time to stop & say I tried
Too easy knowin'
How hard your leavin' feels inside
I saw the photograph of you
The innocence of just we 2
With his arm around you all your life
I think about you everyday
I wonder what he said
How he got inside your head
As I watch you walk away-way-way
There's no more time hangin' 'round
Talkin' to you I know it's lost can't be found
What can I do? (What can I do?)
I took a photograph of you
The innocence of just we 2
With his arm around you all your life
(I think about you everyday)
(way-way-way)
