

# Sugar Ray, Rivers

She's gone  
And I'm gonna find her  
It's been so long  
Yeah I'm gonna find her  
She's gone away  
When it goes away  
I'll dig a hole \*4  
Wasted and I'm out of patience  
It's been so long  
Yeah I'm out of patience  
She's gone away  
Pain goes away  
I dig a hole \*4  
Runnin', goin' out at night  
Friends they push and pull you  
Burn out ground poor flowers  
Spinning falling outta time  
When it goes away  
I'll dig a hole \*4  
La la la la, ooh  
I'll dig a hole  
La la la la, ooh  
When it goes away  
La la la la, ooh  
I dig a hole  
La la la la, ooh  
Pain goes away
