Sugar Ray, She's Different

She was a crazy girl She's from a different world and I don't care She cashed her check at 2 Her rent was overdue 'cause he's not there

Sing for me, sing for me Show me the way Sing for me, sing for me 'Cause you're goin' away And if you're goin' away I just don't know what to say You're time was wasted All you had to do was stay

Hey Mr. Officer Please let me talk to her take her home Sometimes it's hard to see Impossibilities unknown

Sing for me, sing for me
Show me the way
Sing for me, sing for me
'Cause you're goin' away
'Cause if you're goin' away
I just don't know what to say
You're time was wasted
All you had to do was stay
(Teardrops, they fall, out of, the sky)
She's goin' away...
