

Sugarbabys, Round Round

Round round baby, round round, spend the night on me
I don't need no man, got my kicks for free
I realise the vibe gonna be down low
I don't need nobody got my honeys when i go
Round round baby, round round, spend the night on me
I don't need no man got, my kicks for free
(free, free, free, free, free, free, free, free)

When you stare in my face, you're messing with my brain
If you're trying to confuse me, then you better think again
If you move to the music, the music's got to give
If it's too complicated that's the way I wanna to live

If you hate me, I will show you
How to braid me, into something new
If you want me, run away now
If you stop me, then I'll hit the ground (here we go, here we go)

Round round baby, round round, spend the night on me
I don't need no man, got my kicks for free
I realise the vibe gonna be down low
I don't need nobody got my honeys when i go
(go go go go go go go go)

Explanations, boy you don't need one
Having a good time, getting down to the fun
And it's your time, coz' tonight he'll be mine
Then he's gone (yeah-yeah)

People moving, bodies grooving, never ending, place is moving,
(Don't you worry bout a thing, all you need is off your sting)
All my girls are here with me, worry now they've got their need
(Do you feel me, do you feel me, do you feel me, do you feel me) woo

Round round baby, round round, spend the night on me
I don't need no man, got my kicks for free
I realise the vibe gonna be down low
I don't need nobody got my honeys when i go
Round baby, round round, spend the night on me
I don't need no man, got my kicks for free
I realise the vibe gonna be down low
I don't need nobody got my honeys when i go

Does it hurt, when you see, how I've done
Without you, thought that I, couldn't belong
Never thought that you could be so cruel
All you need is some friends (won't be by yourself)
Let's go round, and round, and round, and round, and r-o-u-n-d

Round round baby, round round, spend the night on me
I don't need no man, got my kicks for free
I realise the vibe gonna be down low
I don't need nobody got my honeys when i go
Round round baby, round round, spend the night on me
I don't need no man, got my kicks for free
I realise the vibe gonna be down low
I don't need nobody got my honeys when i go

Round baby, when I go, (when I go)
When I go, (when I go)
When I go, (when I go)
When I go round baby, when I go (when I go)
When I go, (when I go)
When I go, (when I go)

When I go
